

# Table of Contents

## Objectives & Methodology..... 1

### Data Tables (in order of questionnaire)

Location of database(s) (DB).....	2
Departments responsible for implementing DB.....	3
Departments responsible for maintaining DB.....	4
Number of total records.....	5
Change in staffing levels.....	6

### BUDGETS

Increase/Decrease in:	
DB budget allocation ('05 vs. '04).....	6
Budget for DB-reliant direct marketing ('05 vs. '04).....	7
DB investment in 2003.....	8
DB investment in 2004.....	9
Direct marketing revenue in 2003.....	10
Direct marketing revenue in 2004.....	11
Percent of direct mktg budget used to target:	
Summary of means.....	11
Businesses ( <i>banner</i> ).....	12
Consumers ( <i>banner</i> ).....	13
Percent of direct mktg budget for DB.....	14

### INVESTMENTS

Percent upgrading DB in next 12 months.....	15
Types of upgrades.....	16
Expected cost of upgrades.....	17
ROI on DB hardware.....	18

## Data Tables *continued...*

### INFORMATION

Location where data from each is stored:	
Summary.....	19
Mail.....	20
Telemarketing.....	21
Online/Web site.....	22
E-mail.....	23
Sales force.....	24
Customer service.....	25
Accounting/accounts payable.....	26
Functions DB is used for.....	27

### Collection methods for each data point:

Summary.....	28
Age/Date of birth.....	29
Channel contact preference.....	30
Company information by overlay.....	30
Company information by survey.....	31
Competitive products used.....	32
Customer service/complaint history.....	33
Dollar value of purchases annually.....	34
Frequency.....	35
Household demographics.....	36
Individual dollar value of purchase.....	37
Length of time has been a customer.....	38
Names of prospects.....	39
Number of purchases annually.....	40
Promotional history.....	41
Recency.....	42
Satisfaction levels.....	43
Socio-demographic info by overlay.....	44
Socio-demographic info by survey.....	45
Source of original lead/contact.....	46
SIC code.....	47
Track non-responders.....	48
Other.....	49

## Data Tables *continued...*

### PERSONALIZATION

Lifetime value calculation ( <i>banner</i> ).....	49
Personalization offer ( <i>banner</i> ).....	50
Levels of personalization.....	50
Personalization change ('04 vs. '03).....	51
Percent using single/multiple vendors.....	51

### DEMOGRAPHICS

Job function.....	52
Annual revenue ( <i>banner</i> ).....	53
Number of employees.....	54

## Appendices

Write-in Answers.....	A
Statistics Explained.....	B
Survey Instruments.....	C
